DESCRIPTION

For rent an outstanding, modern house with usable area of 200 sq.m designed by an experienced architect who is a specialist of contemporary style and design. The house comprises two levels. On the ground floor there is an open space (70 sq.m): living room with a fireplace, dining area, kitchen and toilet for guests. The project of the kitchen was inspired by Italian brand BOFI - especially the veneered island suspended in the air! Then, another astonishing aspect - wooden stairs with LED lighting leads you to the first floor. Here you have 3 bedrooms and 2 bathrooms (shower cabin is designed for 2 people, bathroom with jacuzzi system, floor heating). Further, great white doors made with medium density fireboard have been mounted. There is also a garage for 2 cars, 2 warehouses and a laundry room. The house has been finished with sandstone and wood. Large wooden windows with anti-theft glasses have been installed. The house is situated on the closed estate Harmonium with security around the clock, opposite the American School and the estate Konstancja. The house is located on the plot of 500 sq.m, with a nice garden. It is a great offer! The house is really amazing!
